**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local fiber-broadband service, because they offered better service, lower prices, better options, and a superior privacy policy. Don't turn this public resource of the internet over to monopolistic, anti-competitive megacorporations.

My new fiber connection is far superior to my old AT&T DSL. What's more, I save money on phone service, too.

Act for the people, not for the corporations.

Randall Alfred
